

New! Updated 5/27/21

Here are the latest updates related to the **CLOSING** of our UCHC 470 East Fordham Road site and UCHC Services:

ATTENTION FORDHAM PLAZA PATIENTS

Dear Patients,

Union Community Health Center (UCHC) is closing its Fordham Plaza site located at **470 E. Fordham Road** effective Thursday, May 27, 2021. UCHC is not planning to eliminate any of our current medical staff and providers will be assigned to other locations within the Bronx, which are each easily accessible by bus or train.

We value you as a patient and consider it a great privilege to serve your primary health care needs. We do hope your plans include remaining our patient. Below is a list of Fordham Plaza providers and their new locations. I hope this is helpful as you make the important decision of where to continue to receive your medical care.

During your next visit to our Center, please ask any one of our staff for a patient information packet that will provide these care options or call: 718.220.2020.

For a full list of Fordham Plaza Providers and their future locations click [HERE](#).
